**UNOPPOSED MOTION FOR PROTECTIVE ORDER  
REGARDING THE PRODUCTION OF FOUR REPORTS CONTAINING  
CONFIDENTIAL SOURCE STATEMENTS**

---

The United States Attorney for the District of Wyoming and Assistant United States Attorney, Eric J. Heimann, submits this unopposed motion for entry of a protective order for the production of four reports containing confidential source statements to law enforcement. The grounds for this motion are as follows:

1. The Claimant Scott Lewis, through various discovery requests, seeks certain categories of documents which would include four law enforcement reports containing statements made by confidential sources regarding drug trafficking and other crimes. One of these sources said that he was afraid of his co-conspirators (who were later found in possession of guns, marijuana, and cash) because they knew where his family lived.

2. The requested protection order should be granted because it will help protect the confidential sources from retaliation.

3. Upon entry of the protective order, the United States will produce the referenced reports.

For the foregoing reasons, the United States respectfully requests entry of the protective order submitted with this motion.

**DATED** this 31st day of August, 2016.
